In the spirit of innovation, specifications and features are subject to change without notice.

The company was recognized as the No. 1 module supplier for quality and performance/price ratio in the IHS Module Customer Insight Survey. Over the past 20 years, it has successfully delivered over 63 ...

Three Phase BlueWave Series 350 kW The BlueWave Series inverter is our new string inverter for utility-scale solar projects.

High reliability · Cooling fan with IP68 protection level · Integrated string monitoring function · Standard connection terminal for quick installation

Solis" largest three-phase, 1500 VDC PV string inverter has 12 MPPT (250, 300 and 350) or 16 independent MPPTs (350K) options that allow for great redundancy in larger systems.

The SolaX X3-GRAND HV is a 350kW ground-mounted string inverter delivering 99% efficiency with 6 MPPT trackers for optimal energy harvest. It features Type ...

With advanced power electronics and smart monitoring features, the Sungrow 350kW 1500VDC inverter supports high energy yield, reduced maintenance ...

This 350kW high-power string inverter, with its excellent performance, robust reliability, and intelligent operation and maintenance experience, is becoming an ideal choice for promoting global large-scale ...

Multi-mppt string inverters from Sungrow, sg350hx, are proven safe for 24h real-time AC and DC insulation monitoring and reach a high yield of 99% at a low cost.
