---

Do you need special laboratory equipment or are you planning an expansion - across several units, floors or even as a container farm? Tell us about your project.

Our container units are easy to assemble using nuts and bolts supplied with the kit, they require no special tools. Customers find being able to assemble and just as easily disassemble means they can ...

Expands to triple its size. Allows deployment while on a truck or trailer. Doors on both ends, nine high stacking, 20-minute set up time using two people. If your storage or transportation needs are more ...
