The Foundation for Defense of Democracies (FDD) is a Washington, DC-based nonpartisan 501 (c) (3) research institute focusing on national security and foreign policy.

Start your Monday, Wednesday, and Friday mornings at 8:30am (ET) with digestible analysis and the headlines FDD's experts are watching. The FDD Morning Brief can be streamed live on ...

FDD is a Washington, DC-based nonpartisan research institute focusing on national security and foreign policy. FDD does not accept donations from any foreign governments.

FDD conducts in-depth research, produces accurate and timely analyses, identifies illicit activities, and provides policy options - all with the aim of strengthening U.S. national security and reducing or ...

The U.S. military has tried almost everything to fix its cyber problems -- except for the one solution that would work: standing up a U.S. Cyber Force as a new branch of the armed forces. ...

Projects FDD houses several projects and programs, which take a deep look into today's most pressing national security and foreign policy challenges.

Active and Planned Lithium Triangle Facilities Map of active and potential lithium facilities in Chile, Bolivia, and Argentina, with arrows depicting raw material flows to China. Source: FDD.

"Israeli operations in Lebanon against Hezbollah: October 6-12, 2025," David Daoud, FDD's Long War Journal " Hamas begins transfer of deceased hostages, Israel threatens to limit aid ...

How Russia Used Influence Operation To Undermine U.S. Interests in Africa Two years ago, the West African nation of Niger dismissed U.S. troops and welcomed Russian ones. A...
