When pressing F12 in Studio, red lines normally appear around the window to indicate a recording is being made. They show in studio and when playing the game inside the window. When ...

I press video record, the button shows its recording, but i look in my roblox folder in videos and theres nothing new. it only seems to work when its not running

The latest versions of the Roblox client are incompatible with Nvidia's instant replay/recording feature. This issue is not related to Nvidia's drivers; the same driver version worked ...

I DO NOT WISH TO APPEAL I AM SIMPLY LOOKING FOR INFORMATION!! So I just got banned for the dumbest thing. My first ban ever since I joined Roblox which was in 2016. And ...

When pressed f12 or the "record video" button in the menu, it does not start recording, or at least for me . one day i noticed the red frame when recording dissapeared and later the disclaimer ...

Around a week ago ive noticed i can no longer record on Run mode. I can record during tests or without even running test/run mode. I was able to record during Run mode not too long ago, ...

Capture Exciting Videos Just like the screenshot Captures API, the Video Captures API allows you to programmatically trigger the option to record short video clips, up to 30 seconds, during ...

The recorder module can record any instance, and any property, and will return that data each call to update during playback. You can make a clone of the player, record each parts of the ...

If you're looking to create screenshots or videos for promotional material, experience thumbnails, or to document your experience in any way, these tips will help you capture your work at ...

How to record the energy storage battery of communication base station

I started to get into animation and I want to upload them on here to get feedback but I am a dumb person and don't know which program is the best to do this. The Roblox recorder records in ...
