As people send in prices that they've paid for turbines I will add them to the list, and perhaps we will be able to get a more complete picture of the cost per KW of the available choices.

This list is for guidance and that prices are constantly changing due to inflation, tariffs, and suppliers. Contact support @flowerturbines for EU pricing.

Discover micro turbine generators with CE certification, 50Hz/60Hz frequency & 10KW-50KW power range for home or micro hydro energy systems.
