A new study suggests that even across cultures, there is a lot of similarity in where humans find purpose in life and how it brings us fulfillment.

Purpose is the stuff of inspirational posters and motivational speeches. When we find our purpose, they say, we'll know what we are meant to do in life. The path will be laid out before us, and ...

Find meaning and purpose in your work. The work we do in the world is a primary way we fulfill existential needs, writes Heine. "When people think about who they are, a big part of their ...

To psychologists, purpose is an abiding intention to achieve a long-term goal that is both personally meaningful and makes a positive mark on the world. The goals that foster a sense of ...

A new study suggests that a sense of purpose may be more important to our longevity than life satisfaction.

Are you struggling to discover your purpose? That may be because you feel isolated from other people. Here's how you can overcome that.

A two-year study suggests practicing patience may be critical to finding and pursuing purpose.

Only about one in five high schoolers and one in three college-aged youth reports leading a life of purpose. Taking these findings together--that leading a life of purpose is a beneficial but rare ...

According to a new book, having a purpose in life is crucial for our health and well-being.
