In the heart of East Africa, Rwanda has taken a bold step toward energy independence with its new cylindrical lithium battery production facility. The factory specifically produces high-capacity 21700 ...

We're proud to partner with EAVCA in driving investment into East Africa's manufacturing sector and fostering sustainable economic growth in the region.

Our certified solar specialists provide round-the-clock monitoring and support for all installed photovoltaic container systems and battery energy storage containers.

What is a cylinder type lithium ion secondary battery?Cylindrical Type Lithium Ion Secondary Batteries are packaged in metal cans. These batteries can be used at high rate and maintain high capacity.

Solar container lithium battery energy storage ratio increases These systems capture electrical energy in batteries and release it on demand, addressing fluctuations in supply and demand from variable ...

In 2022, a textile factory in Kigali partnered with EK SOLAR to install a 500 kWh lithium-ion storage cabinet alongside their 1 MW solar array. Results: "The storage system cut our diesel generator ...

Established in 2010, with our head office in Kigali, we focus on providing customized, innovative, turnkey renewable energy and energy ...

ICEENG CABINET serves customers in 18+ countries across Africa, providing outdoor communication cabinets, power equipment enclosures, and battery energy storage cabinets for telecommunications, ...

We design and manufacture custom cylindrical battery packs for industries globally including Lithium Ion, NiMH, Polymer and LiFePO4.
