Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.

Here's how I did it. There are many ways to skin a cat, and even more ways to add solar power to a shipping container. To be fair, I cheated a bit.

Discover durable solar battery boxes for your trolling motor, RV, boat, or solar panel setup. Featuring multi-port functionality and weatherproof designs.

Find out why everyone's raving about our Solar Charging Battery Boxes essentials and tune into our install guides on etrailer !
