The latest stocking recommendations are saying more like 2000 bluegill per acre for big bass ponds with 50 to 100 bass stocked. You have lot"s of predators, too many for the amount of ...

I moved into a new condominium complex a few months ago and they have three ponds, new and unstocked. Without spending much money, what would be my best bet to get them decently ...

They will be restocked again, a couple thousand in CC (approx. 1 fish per acre, 9&quot;-10&quot;), in ODNR"s Muskie stocking program. Going after them again today.

Just built a half acre pond 12 ft deep this past fall it"s almost full was wanting to know when can I start putting in flat head minnows to start the forge fish population live in lorain ohio any ...

Just finished building & stocking a pond in the last 2 years, size is 1 acre + and is 19"-0 at the deepest. Got lucky and a contractor needed fill dirt for a project near our farm, so it was done for ...

I keep hearing that the state has stopped stocking Walleye in C.J. so I broke down and wrote to ODNR. The attached table contains the actual numbers for the...

I found out at the EXPO that the ODNR is planning to start stocking blue cats in Alum in 2023. What are your thoughts on this? My only concern is that the blue cats will get flushed out of ...

I just looked over the 2023 trout stocking schedule and it looks like Punderson is missing this year? I thought Punderson was always included?

Hello all, first post. I am aware that the ODNR stocks rainbows in November, but I haven"t seen any confirmation of that for 2025. Is there something I don"t know? I plan to wait until ...

I dont Fish Alum Creek or any Central Ohio lakes, But they are stocking blue cats in lakes that i fish regularly

## Stocking up on solar panels

& im excited about it, think its great option for people to go out & catch big fish ...
