Our engineers have over 20 years of experience in the PV industry, which combined with top technology from US, Germany and Japan makes SUNOWE modules, one of the highest quality ...

Search in Sunowe Photovoltaic catalogs and technical brochures on DirectIndustry and find the information you need in 1 click.

Detailed profile including pictures, certification details and manufacturer PDF.

The Sunowe SF156x156-60-M 265W panel delivers 265W. Maximum current and voltage are 8.4A and 31.55V respectively. As for physical dimensions, the panel is 1650mm tall and 992mm, wide, and ...

Search among all photovoltaic panels manufactured by Sunowe that you can find on Keep the Sun

Products Photovoltaic Module Polycrystalline Silicon Wafer Photovoltaic Cell Photovoltaic project Customer service Product service Project service Download ...

The Sunowe SF 156x156 - 60 - M 230W delivers 230W of power. Maximum current is 7.71A with a voltage of 29.85V. Discover all the panel features.

Our company is one of the photovoltaic manufacturers that possess the industrial chain of the production of silicon wafers, battery pieces and components and construction of building integrated photovoltaics.
